Principals Message

This Term we have welcomed our 2015 Kindergartens to begin their transition into ‘big school’. The children have the opportunity to explore new experiences such as catching the school bus and joining in with activities in the Infants Class to assist in their preparation for next year.

Our Year 6 students are currently attending their High School Transition where the students are participating in a number of wood work classes where they have the opportunity to meet the teachers, Year 6 students from other schools and to get an insight into what High School is like.

I’d lastly like to wish all the Dad’s, Pop’s & Uncle’s a happy Father’s Day and hope you enjoy your gifts and special handmade cards.

Shanelle Gunther
Infants News

This week in Literacy we have been discussing the topic "Should animals be kept in the zoo?" The students have been very passionate about this discussion and have come up with some excellent arguments both for and against.

In maths the students have been investigating probability and chance. We experimented with 2 dice and worked out which numbers are most likely to come out each roll. They had fun collecting the data and then graphing their results.

Just a reminder that home readers are due in on TUESDAYS and THURSDAYS. Homework is due in on FRIDAYS.

Primary News

Our class has continued to focus on writing procedures this week. We understand the importance of following a procedure in the correct order of steps to ensure our experiment is successful. We also enjoyed making our own bath crystals.

In Maths this week we focussed on Patterns and Algebra where we were able to identify and solve patterns in colour, shape and using numbers.

Just a reminder that Home Readers go home daily and Homework is due on Friday’s.

Book Week
AWARDS

Week 6

Mathletics Awards
Jordanne Nanson—Silver award 1440

Class Awards
Sarah Jane Casson—Always being involved in class activities.
Thomas Ramsay—Superb effort with his science homework.

Goldilock Rocks!!

The Australian Touring Company present ‘Goldilocks Rocks’ at the Chapel Theatre next Tuesday 9th September 2014.

Goldilocks really likes to help people. She happily does the shopping for her grandmother plus the gardening too. She often walks her neighbour’s dog and collects their mail. Goldilocks cheerfully gives her teacher a hand setting up for class and she’s always happy and very polite. It’s true what they say—‘Goldilocks Rocks!’ Of course not everyone is pleased. The Big Bad Wolf is furious that Goldilocks has become so popular. He is very jealous and he’s planning to cause all sorts of trouble—what a bully. Watch out Goldilocks!

Permission notes have been sent home for this excursion. A reminder that the families who have not paid the contribution this year will be required to pay $15 per child for this excursion.

THOUGHT FOR THE DAY.
People will always forget what you do, and they will always forget what you say, but they will never, ever forget the way you make them feel.
Amelia Stanelle

World Heritage Walk

Northern Tablelands Local Land Service along with National Parks and Wildlife Service are conducting a World Heritage Walk. The walk will be a family friendly interpretive walk where you will learn about the World Heritage area and its environmental importance.

Morning tea and a sausage sizzle will be provided for participants.

Details

When: Wednesday 24th September 2014 at 9.45am for morning tea
Where: Mulligan’s Hut day use area within the Gibraltar Range National Park
What to bring: Good walking shoes, jacket, a bottle of water, sunscreen and insect repellent. Kids don’t forget to bring a responsible adult with you
How much will it cost: Free
We will provide: Guided walk, morning tea, sausage sizzle and take home pack

No need to book in, please just turn up on the day

Children under 18 need to bring an adult along to participate in this activity
Please if you have special dietary needs, bring some morning tea and lunch
For more information please contact Chris on 02 6728 8046/02 6728 8020

Happy Birthday
