Dates for Swimming School

Week 9  Monday 30/11/15  Tuesday 1/12/15  Thursday 3/12/15
PRINCIPAL’S MESSAGE

School life at Red Range Public School has not slowed down as staff and students move towards the Christmas break. Some of the highlights planned for the next three weeks include: continuing our Swim School, Platinum Dinner with the Principal at the Hi-Way Diner, the Term 4 Rewards Day sleep over at school, and Presentation Day. We are starting Summer with great celebration! Of course at this time of year your school is planning and organising for the new school year. We are awaiting the arrival of our new classroom and we have changed the configuration of the office area. The Summer term is full of events and enjoyment that will create great school memories for our students. Of course this would not be possible without the energy and commitment of our teachers and support staff. Enthusiasm for providing our students with a great finish to the 2015 school year is a major feature of the operation of the school at this time. It is lovely to see everyone getting involved in school events ‘boots and all’.

Excited K/1J

This week we have been learning about nouns, adjectives and verbs. We are getting very clever and we can use them to make our writing sound better! We have continued our study of celebrations by looking at the Chinese New Year. The students had fun finding out which animal from the Chinese zodiac they were. Our play is coming along with great enthusiasm. Thank you to those parents who took the time to help their children with their lines at home. We can’t wait to perform for you all at the presentation ceremony. Just a reminder home readers are changed DAILY and homework is due in on FRIDAY. Library borrowing has finished for the year. Any outstanding books will need to be returned as soon as possible or parents will be invoiced for the cost of a replacement book.

Motivated 2/3S

Wow... this term is really flying along and we have all been very busy! We have been monitoring our seed... seeing them grow into small plants. In our celebration unit we have been looking at celebrations from all around the world. In Maths we have been exploring looking at Area and whole Number. Library has now finished for the year and all books need to be returned ASAP for our yearly stock-take! We have been doing a lot of swimming for sport this term. At home we would love to encourage the students to read every night and use MATHLETICS (2000 points is our weekly goal for 2/3S).

Dynamic 4/5/6M

4/5/6 M We are busily preparing for the end of the year. We are completing our stories, projects and units of work ready to place into our portfolios which will be taken home at the end of the year. Please keep your eyes on the our Swim School, Platinum Dinner with the Principal at the Hi-Way Diner, the Term 4 Rewards Day sleep over at school, and Presentation Day.
Week 6 & 7
Awards
