**COMPULSORY ATTENDANCE**

In NSW all children from 6 years of age are legally required to attend school. If your child is absent from school you must tell the school and provide a reason for your child’s absence. To explain an absence parents are required to send a note to school or phone the school within 7 days of the absence. Where absences are unexplained or the explanation is not accepted by the principal the school will work with parents to help address the issue. It is important to understand that the Department may take further action where children have recurring numbers of unexplained absences.
