**Talented K/1J**

This week we are excited to be using our new iPads in the classroom! We have some terrific educational apps that the students are enjoying using. We have also welcomed new PM readers to our existing reading library and we look forward to reading these new stories and taking home some new books. In literacy we have been continuing to improve our writing skills. This week we wrote about Lilli’s pet guinea pig who came to meet us on Tuesday. We learnt some new things about guinea pigs and we got to have a pat. The students had fun writing about what she looked like, what she ate and how she behaved. The students enjoyed their first Netball session with Julie on Friday and we look forward to another this Friday. Just a reminder home readers are changed DAILY. Our Library day is THURSDAY. Children will need to return their books in order to borrow new ones.

**Fact-finding 2/3S**

We are continuing to explore our class topic of "British Colonisation". In Maths we have been collecting and presenting Data. We have also been utilising the skill of tallying. Library has been inundated with lots of new and exciting books. Your child can utilise this resource by borrowing every Thursday! We are having lots of fun playing Netball for sport. At home we would love to encourage the students to read every night and use MATHLETICS (1000 points is required to earn a Certificate).

**Imaginative 4/5/6M**

In Literacy we have commenced our Information Report writing focus and we have completed some great reports about our rainforests and volcanoes. We have commenced our new HSIE unit on Disasters with a focus on man made disasters and the sinking of the Titanic.
